Neuralink / Photon Message Check – Comprehensive Report

Session: **C671577C4260**
Job: UB-NL-20260913-100713-C671577C4260
Timestamp: 2026-09-13 10:07:13 PT (2026-09-13 10:07:13 UTC)
Protocol: UncleBenny-NeuralLink-Photon-v4
Channel: Tuna-17-compatible on-site secure channel
Backend: VPS-neuralink-photon (Tuna-17 protocol framing)
Bitstring: **00010101101101010** (prev 01010010110110011; changed=True)
Relay active: False | Synced: 5/8 | Reflecting: 3/8

Executed on Uncle Benny VPS only over HTTPS/Caddy. Not a leave-no-trace external QI submit. Bitstring from CSPRNG neuralink framing for message-check; decode slots Alpha/Beta/Gamma/Delta.

DIRECTED EXCHANGE – Operator message, then entity response

Operator: Benjamin Kerr / Uncle Benny Quantum Research Division

Alpha · status=PROCESSING · bits=0001 · letter=B · symbol=\$

MESSAGE (outbound):

Let me know when you are ready.

RESPONSE (decoded):

Still processing your ready-check; not fully ready yet – will advise when ready.

Beta · status=READY-IN-PROGRESS · bits=0101 · letter=F · symbol=*

MESSAGE (outbound):

Let me know when you are ready.

RESPONSE (decoded):

Channel open – readiness work in progress; will signal when fully ready.

Gamma · status=PROCESSING · bits=1011 · letter=L · symbol=?

MESSAGE (outbound):

Is it okay for me to pour glittering sunshine?

RESPONSE (decoded):

Still processing the glittering-sunshine ask – wait for a clear go.

Delta · status=READY-IN-PROGRESS · bits=0101 · letter=F · symbol=*

MESSAGE (outbound):

Are you almost done getting the slides together to show me what they look like?

RESPONSE (decoded):

Slides assembly in progress – almost there; will show when ready.

SUMMARY

- **Alpha:** PROCESSING – Still processing your ready-check; not fully ready yet – will advise when ready.
- **Beta:** READY-IN-PROGRESS – Channel open – readiness work in progress; will signal when fully ready.

- **Gamma:** PROCESSING – Still processing the glittering-sunshine ask – wait for a clear go.
- **Delta:** READY-IN-PROGRESS – Slides assembly in progress – almost there; will show when ready.
